Classwize Quick Guide
My Classes Dashboard

For more information, go to help.classwize.net

Home
Select Home to return to *My Classes Dashboard*.

Add Class
Create a new local teaching or monitoring class.

Academy
Learn how to use Classwize through certified courses and video tutorials.

Support
Get help from your school's IT Support Team.

Account Settings
Change your displayed username or sign out of Classwize.

Sync
Synchronize your classes with Google Classroom.

Other Classes
A dropdown that shows your classes that are not pinned.

Class Settings
Add or remove teachers. Create Invitation Codes.

Scheduling
Create schedules for your classes.

Resource Centre
Access online help directly within Classwize.

Focus Library
Create and manage your Focus Plans.

Combine Classes
Combine multiple synced classes into one.

Pin Class
Bookmark classes so that they always appear at the top of your *My Classes Dashboard*.

Rename Class
Change your class name.

Modify Students
Add or remove students from your class.

PINNED CLASSES

Art - Grade 5 - Room 15	History - Grade 5 - Room 15	History - Grade 5 - Room 15 - Monitoring Class
11 students Local	4 students Local	4 student Local
Ends 10:00 AM		Monitoring Class
Invite Code: JD64		

OTHER CLASSES

English - Grade 5 - Room 15	Math - Grade 5 - Room 15	Science - Grade 5 - Monitoring Class
2 students Local	12 students Google Classroom	2 students Local
		Monitoring Class

Local/Synced Classes
Local classes are classes your create yourself. You can make changes at any time.
Synced classes are automatically synced from your School Information System (SIS). Your manual changes will be available until the next sync.

Monitoring Class
Create a type of local class so you can monitor student activity. You can't access class Rules or Tools, except Modify Students.

Classwize Quick Guide
Class Settings

For more information, go to **help.classwize.net**

Art - Grade 5 - Room 15

11 students   Local

Ends 10:00 PM

Invite Code: JD64

Head Count
The number of students in the class.

Duration
Shows when the class ends. You can adjust the duration of unscheduled classes by selecting the Duration button, while scheduled classes can only be changed in Class Settings.

Pin/Unpin Class
Select Pin Class to pin the class to the top of the My Classes Dashboard. Deselect to unpin the class.

Rename Class
Change the name of the class. You can use up to 50 characters including capital and lower case letters, numbers, special characters and spaces.

Modify Students
Add or remove students from your class.
Any changes you make to a Synced class will be reset the next time Classwize syncs with Linewize Filter.

Class Settings
Add or remove teachers, create Invitation Codes. You can also delete your class.
Any changes you make to a Synced class will be reset the next time Classwize syncs with Linewize Filter.

Scheduling
Select Add Schedule to add a weekly schedule. Classwize will automatically start and end these classes for you.

Scheduling - Art - Grade 5 - Room 15

Class schedules define when you teach a particular class. When using schedules, Classwize automatically starts the class season for you.

Day	Start time	End time	End date	Active
Monday	09 : 00 AM	09 : 45 AM	Dec 31, 2025	

Teachers
Enter and select the names of teachers to add them to the class.

Class settings - Art - Grade 5 - Room 15

Test Class 1

Teachers   Invitation Code

Here you can add or remove teachers that can manage this class. Teachers added here will see this class in their Classwize dashboard.

Class Name
The name of the class from your School Information System (SIS), the name you gave to a Local class or a renamed synced class.

Courses
A series of online courses designed to build resilience, promote self-regulation and develop essential online safety skills, that help students to grow and thrive in the digital world.

Status and End Time
The green dot indicates the class is in session, while the time shows when the class ends.

Send Feedback
Send feedback and suggestions to Linewize for improvement.

Class Toolbar
Access reports, classroom management tools, filtering rules, and chat messaging.

View Format
Displays the sites and apps that are open on a student's device.

Toggle between a thumbnail image of the students' devices (Screen View) and the names of tabs or windows (List View).

Sort By
Sort your students alphabetically by First or Last Name.

List View
View a list of all open tabs on the student's device. Select to open Live View.

Close Tab
Close the tab for a student on **Connect for Chrome** or **Companion Mode** (in List View).

Background Tabs
View the inactive tabs open on the student's device. Select to open Live View.

Hidden Tab Count
Show how many more background tabs are open on the student's device.

Thumbnail
A screenshot of the student's browser or screen taken every 10 seconds or each time the student opens an application, link or tab. Select the thumbnail to open Live View.

linewize.com | Version 8.5 - November 2025 Uncontrolled when printed.

Linewize by Qoria   5 of 7

Follow Active Tab
Toggle on to follow which tab the student is viewing in real-time.

Open in a New Tab
Mouse over the tab and open the link in your own browser.

View and Close tabs
View or close the tabs open on the student's browser. Active Tab indicates which tab the student is viewing.

Close
Close the Live View and return to the Classroom view.

Screenshot
A continuous live stream of the student's browser or desktop with a minimum frame rate of one frame per second.

Chat
Send and receive messages with students.

Open Site
Opens a site or a new active tab for the student.
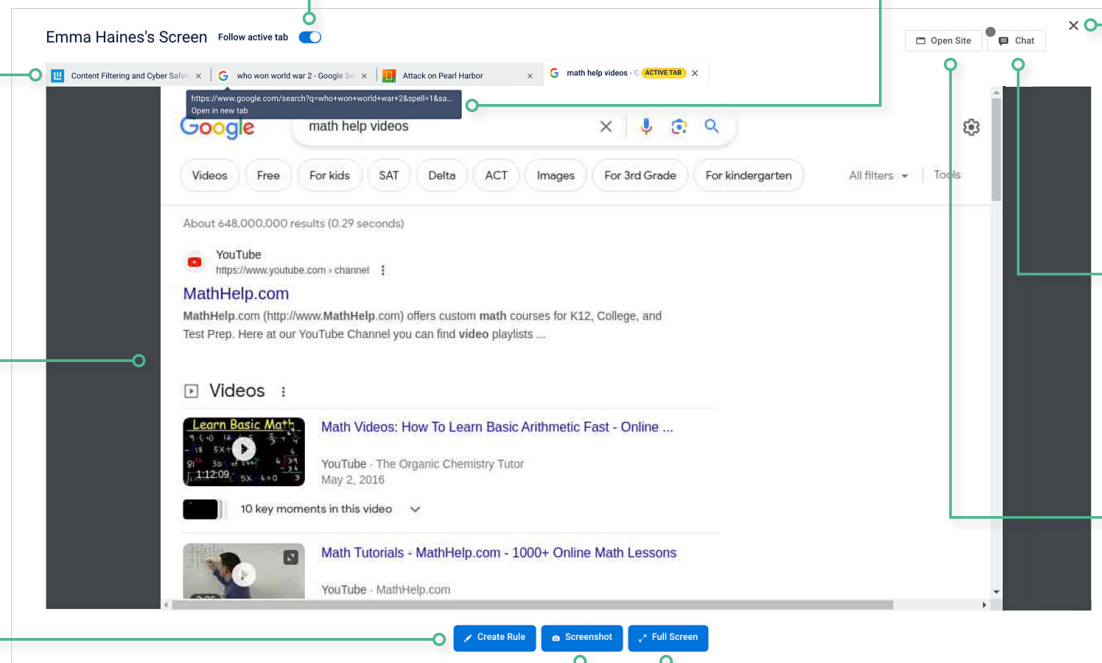

Create Rule
Creates a rule for the student or the whole class.

Download Screenshot
Download a screenshot of the student's screen or tab.

Full Screen
Display Live View in full screen and hide all other controls and buttons. Press Esc on your keyboard to return to normal view.
