

# Class Settings

For more information, go to [help.classwize.net](https://help.classwize.net)

## Head Count

The number of students in the class.

## Duration

Shows when the class ends. You can adjust the duration of unscheduled classes by selecting the Duration button, while scheduled classes can only be changed in Class Settings.

## Art - Grade 5 - Room 15

11 students

Local

Ends 10:00 PM

Invite Code: JD64

## Pin/Unpin Class

Select Pin Class to pin the class to the top of the My Classes Dashboard. Deselect to unpin the class.

## Rename Class

Change the name of the class. You can use up to 50 characters including capital and lower case letters, numbers, special characters and spaces.

## Modify Students

Add or remove students from your class. Any changes you make to a Synced class will be reset the next time Classwize syncs with Linewize Filter.

## Class Settings

Add or remove teachers, create Invitation Codes. You can also delete your class. Any changes you make to a Synced class will be reset the next time Classwize syncs with Linewize Filter.

## Scheduling

Select Add Schedule to add a weekly schedule. Classwize will automatically start and end these classes for you.

## Teachers

Enter and select the names of teachers to add them to the class.

## Invitation Code

Toggle on Invitation Code to create Invitation Codes that students can use to join the class.
